There is only one
tracking system better!

Time Capture Technology

Utilize

- PIN Entry
- Magnetic Strip
- Bar-code
- Proximity
- Bio-Metric

The above technology incorporates a dry contact relay which will be connected to your electronic/electro-magnetic door lock.

A Few Things That Make Access Tracker Easy To Use.

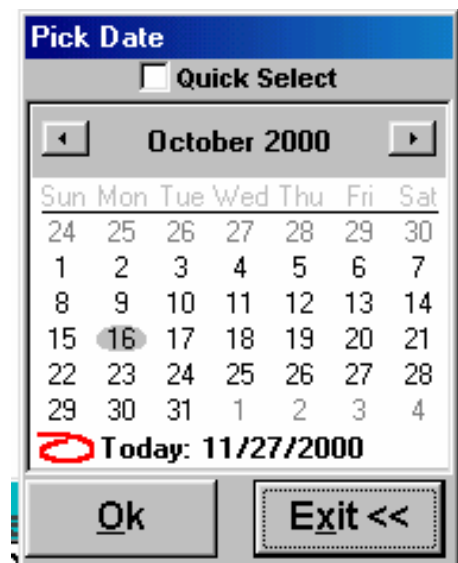

Date Management

Double click any date field to automatically fill it with the current system date.

Arrow up/down – change the day.

Page up/down – change the month.

Click the date button to display the quick select calendar.

A Few Things That Make Access Tracker Easy To Use.

Record Specification Filters

Click this button to display the specification bucket form to select records by Supervisor, Status, Department, Shift and/or Employee

Sort employees by code, name or hire date in ascending or descending order.
